## TERMS & CONDITIONS:

- This proposal outlines a general overview of our services. Upon determining the specifics of the production, the client will get an individualized proposal.
- Prior to the live remote, there will be a site visit scheduled to determine the specifics of the production. (Lighting, audio, internet access, cables etc)
- All listed prices include both recording the footage and/or streaming it via livestream.com. In case clients want to stream the event on their own website, they will be provided with an embed code.
- By request: The live signal can also be displayed on multiple video monitors at the venue.
- Editing extra packages from the recorded footage can be included in the proposal.
- One full production day is eight hours portal to portal, a half day is four hours. Every additional hour of production that is not included in the agreement will be charged with an hourly rate of \$ 150,- per crew member plus an hourly rate for any equipment.
- The prices quoted above do not include additional costs like travel expenses.
- Ownership of the footage and all related property produced under this agreement remains that of Watch305 Productions unless specified otherwise in the contract.

## TERMS OF PAYMENT:

We charge 50 % of the total amount after the agreement is signed. The remaining 50 % of the total amount are due upon acceptance and receipt of the finished production.
